PLEASE SEND US YOUR LIST FOR QUOTATIONS

TERMS AND CONDITIONS OF SALE

TERMS—1% discount for cash if paid on or before 10th of month following date of invoice, and is due NET 30 days thereafter. Interest charged on past due accounts.

These terms are offered to those with established credit; otherwise cash, security, or satisfactory references. **C.O.D. orders must be accompanied by one-fourth cash.**

PRICES named in this list are based upon present market conditions and are subject to change without notice. These are Wholesale Prices and apply upon the following quantities:

30 to 100 of any variety and size at the hundred rate.

300 of any variety and size at the thousand rate.

Samples at list prices.

Note:—Classifications as given above are understood to be as listed under general headings in price list. (Broken lots of less than full bundles of any one variety and grade will be billed at 15% above rate.)

ALL PRICES ARE NET, BOXING AND BALING EXTRA.

SHIPPING—Please give shipping instructions whether by freight or express and route. If no instructions are given, we will forward to the best of our judgment, without assuming responsibility. All goods travel at the purchaser's risk and expense.

In case of undue delay or breakage, have carrier make notation of same on Bill of Lading before accepting.

TRUCK SERVICE—We are able to offer truck service within a radius of 300 to 500 miles from Fremont. Charges average about the same as railroad rates with delivery at your door. If interested, write for further information.

LOCATION—OFFICE AND STORAGES are 3 blocks west and 1 block south of Junction of U.S. 275 and on U.S. 30, north edge of Fremont.

CAUTION—We accept all orders subject to crop conditions and on condition that same shall be void should injury befall our stock from hail, fire, frost, error in count or other causes beyond our control. All contracts are subject to war priorities on material, transportation and other causes that may limit, restrict or make impossible performance thereunder.

GUARANTEE OF GENUINENESS—If any nursery stock proves untrue to description or variety under which it is sold, we hold ourselves in readiness, on proper proof to replace such nursery stock that may prove untrue to description or name, or refund the original amount paid. We shall in no case be liable for any sum greater than the amount originally received for said nursery stock.

CLAIMS—for any cause must be made promptly on receipt of stock. We will not entertain claims after goods have once been accepted, or when report is not made within Ten Days after arrival of stock. We express or imply no warranty as productiveness or life of the nursery stock we sell and, will not be in any way responsible for the results secured in transplanting.

SPECIAL NOTICE—Correspondents are requested to use their printed business letterheads. We do not quote wholesale prices to retail buyers. We use every effort to limit the distribution of trade prices to those whom we know to be entitled to receive them.

DECIDUOUS TREES

Our Shade and Ornamental Trees are first class, well shaped, young and vigorous nursery grown trees with good roots. They have been grown from seedlings transplanted in nursery row especially for this purpose.

All calipers taken 6 inches above the collar.

ASH, Green, *Fraxinus lanceolata*, 50-60 ft.

Thrives over a wide territory. Especially valuable for planting in high altitudes and dry cold climates. Succeeds everywhere. Valuable on the farm.

	Each in lots of	10	100
1 ¼ to 1 ½ inch cal.		4.00	3.50
8 to 10 feet		2.75	2.50
6 to 8 feet		1.90	1.75
5 to 6 feet		1.40	1.25
4 to 5 feet		.80	.75

BIRCH, Cutleaf Weeping, *Betula pendula laciniata*. 30-40 ft.

A graceful white barked tree with drooping limbs and cutleaf foliage. Highly recommended for lawn and park planting.

1 ¼ to 1 ½ inch cal.	4.00	3.75
7 to 8 feet	3.00	2.75
6 to 7 feet	2.75	2.50
5 to 6 feet	2.50	2.25

CRAB, Flowering *Malus*

Almey

Large blossoms of glistening red petals, white markings at base of each, giving the effect of a five pointed star. Usually blossoms the same year planted. The scarlet fruits are retained till spring, furnishing food for winter birds.

5 to 6 feet	1.75	1.60
4 to 5 feet	1.35	1.25
3 to 4 feet	1.00	.90

HOPA RED FLOWERING CRAB

A beautiful, upright growing tree with attractive foliage. Entirely covered with crimson buds opening to rose colored flowers in April. Fruits red inside and out, hanging on until late Autumn. Very hardy and free from disease. Planted extensively.

	Each in lots of	10	100
6 to 7 feet		1.75	1.60
5 to 6 feet		1.35	1.25
4 to 5 feet		1.10	1.00
3 to 4 feet		.80	.75

DECIDUOUS TREES—Cont.**ELM, American White, *Ulmus americana*, 60-100 ft.**

The most popular American tree for street and general planting.

	Each in lots of	10	100
1½ to 1¾ inch cal.		4.20	3.60
1¾ to 1½ inch cal.		2.90	2.50
8 to 10 feet		1.80	1.65
6 to 8 feet		1.20	1.10
5 to 6 feet		.80	.75

Chinese, *Ulmus pumila*. 50-75 ft.

A hardy, rapid grower, slender branches, compact habit of growth with small attractive leaves. Highly recommended for dry climate.

8 to 10 feet	1.65	1.50
6 to 8 feet	1.35	1.25
5 to 6 feet	.85	.80

Hybrid

1¾ to 1¾ inch	4.00	3.50
8 to 10 feet	3.00	2.75
6 to 8 feet	2.20	2.00

Moline, *Ulmus molini*. 80-100 ft.

A pyramidal, vigorous growing variety with large, handsome green foliage. Fine tree for street and drive planting.

8 to 10 feet	2.20	2.00
6 to 8 feet	1.65	1.50

Racemosa, cork bark elm

6 to 8 feet	1.65	1.50
5 to 6 feet	1.10	1.00

DECIDUOUS TREES—Cont.

Redmond Linden

A FAST GROWING
MODERN TREE FOR:

- LAWNS
- PARKS
- STREETS
- ESTATES
- FAIRWAYS
- HIGHWAYS
- BUSINESS
- CITY MALLS
AND INDUSTRIAL
SITES
- HOUSING AREAS

A nice pair of young Redmond Linden. Note its uniform shape which is typical of this budded variety.

It's natural conical top makes it ideal for use where overhanging utility wires are a problem.

We have observed that grass grows well under this tree. It is a natural beauty for the small back yard or for spacious park plantings.

If you are not familiar with Redmond Linden, then we recommend you give it a try. We are confident it will merit your acceptance as a fine tree.

BARBERRY, *Berberis*

thunbergii Common Barberry. 4-5 ft.

Pale yellow flowers. April-May. A splendid hardy hedge plant. Also fine for mass planting. Brilliant red fruit and foliage in autumn.

2 to 3 feet	.65	.60
18 to 24 inches	.55	.50
15 to 18 inches	.44	.38 ½

Red Leaved, *Berberis atropurpurea*. 3-6 ft.

Variety of Japanese Barberry with bright red foliage.

18 to 24 inches	.60	.55
15 to 18 inches	.50	.45
12 to 15 inches	.40	.35

BUDDLEIA, Butterfly Bush, Perennial Shrub. 4-5 ft.

We are growing most of our Buddleia in California where soil and climatic conditions are ideal for producing strong, well rooted plants that are properly matured. You will like them.

No. 1. dormant plants, field grown	.44	.38 ½
--	-----	-------

Burgundy

Strong, upright growing plant produces an abundance of well rounded flower trusses often measuring 18 inches in length. The individual florets open practically all at the same time. The color is "Burgundy Wine-red" that is even more brilliant in sunlight in the garden or where used as a cut flower under artificial light.

ORNAMENTAL SHRUBS—Cont.

Dubonnet

A new dark wine dubonnet colored Buddleia with firm, large, spikes and individual flowers of good size that do not sunburn.

Empire Blue

Aster-blue with delicate lilac tone, the whole effect being an exquisite shade of blue, no other blue buddleia compares with this variety.

Ile de France. 4-6 ft.

Large flowers of rich, reddish-purple, borne in long panicles.

Royal Red

A variety of merit, producing from July until frost an abundance of large, fully round sprays of 2 ft. in length; color rich dark royal purple, intensified to almost red when displayed under artificial light. Plant attains 4-6 ft. height, and foliage is deep leathery green.

CARAGANA arborescens. Siberian Peashrub. 12-15 ft.

Very hardy. Yellow flowers in May-June.

	Each in lots of	10	100
18 to 24 inches		.40	.35
12 to 18 inches		.29	.25

CARYOPTERIS, Blue Mist (Hardy Blue Spirea). 18-24 inch.

Low growing shrub covered with numerous clusters of powdery blue, fringed flowers from August to frost. The foliage is lanceolate and slightly toothed and silvery green in color. Hardy.

No. 1	.44	.38 ½
-------------	-----	-------

Incana Azure, Azure Blue Spirea. 18 to 24 inches

Azure-blue flowers, more compact, and more dwarf than the regular Blue Mist. Better foliage.

No. 1	.55	.50
-------------	-----	-----

CARYOPTERIS HEAVENLY BLUE

Deep blue colored selection of the well known Blue Mist. Upright in growth and more dwarf than its parent. One shrub will produce 30 or more beautiful deep blue flower spikes, a rare color particularly in the autumn garden.

	Each in lots of	10	100
No. 1	\$.70	\$.60	

CORNUS, Dogwood**alba sibirica, Siberian Dogwood. 10-12 ft.**

Hardy, vigorous, upright shrub producing small white flowers, April-May. Porcelain blue fruit. Bright red bark in winter.

3 to 4 feet	.80	.75
2 to 3 feet	.65	.60

ORNAMENTAL SHRUBS—Cont.

18 to 24 inches		3.75	3.25	3.00

VIRGINIANA CANNARTI, Cannart's Red Cedar

Foliage deep, rich green. Main stem very straight. Branches almost horizontal.

3 to 3½ feet	6.00	5.50	5.25
2½ to 3 feet	5.25	4.75	

VIRGINIANA CANNARTI PLUMOSA

One of the finest. Grows pyramidal. Dense foliage. Requires very little shearing.

3 to 3½ feet	6.75	6.25	5.75
2½ to 3 feet	6.00	5.50	5.25

VIRGINIANA DUNDEE (Pyramidiformis)

The gray-blue color of this narrow pyramidal juniper changes to purple during the fall and winter.

3 to 3½ feet	6.00	5.50	5.25
2½ to 3 feet	5.25	4.75	

SCOPULORUM BLUE HEAVEN

Very colorful. It is a columnar type Scopulorum that becomes more compact and beautiful with age. Outstanding blue foliage.

3 to 3½ feet	6.00	5.50	5.25
2½ to 3 feet	5.25	4.75	

SCOPULORUM GRACILIS

Silver-blue foliage. Compact. Distinctly upright.

3 to 3½ feet	6.00	5.50	5.25
2½ to 3 feet	5.25	4.75	

SCOPULORUM GLOBE HILBORN

The natural Globe Scopulorum is truly a beautiful tree with attractive silver foliage. There is enough greenish cast with the silver foliage so that the tree blends well with other colors. It isn't necessary to shear this tree unless you desire to maintain a certain size over a longer period of time.

2 to 2½ feet	5.75	5.25	5.00
18 to 24 inches	5.25	4.75	4.50

SCOPULORUM MOFFETI

A very attractive tree. Has a mixed green and silver foliage, more silver on tips of branches. Pyramidal habit. Heavy base. Makes an ideal tree whether sheared or not.

3 to 3½ feet	6.00	5.50	5.25
2½ to 3 feet	5.25	4.75	

LINE-OUT EVERGREENS

Transplants and Root-pruned Stock

Again this year we have another crop of fine line-out evergreens. As you know, we are one of the few who offer such sizes and ages of these varieties in pruned, triple transplanted field grown stock. Ideal for either lining-out or canning.

Our stock is grown on fertile sandy loam soil which builds a good fibrous root system. This together with experienced help from digging to packing your order does much to assure you of receiving stock of the best condition.

Profit by planting Plumfield liners—We are sure they will please you.

CONTAINER GROWN STOCK

Can be used for lining out purposes.

The following varieties are ready for delivery now, or whenever you want them. They are easy to transplant almost any time with good results as the roots are not disturbed. Have a supply where your customers will see them.

Make extra profit from Plumfield container stock. Each plant has been in its container at least one full growing season and is fully established. These plants are fed at regular intervals to assure a good green color and to maintain a strong, thrifty growing condition. We invite you to personally inspect this material.

Where shipping is necessary, 5 cans packed in one bushel basket. Over all shipping weight approximately 45 lbs. Packing charge for 5 cans—35 cents.

We suggest that you get your needs covered soon.

(SPECIAL PRICE WILL BE MADE FOR 300 OR MORE OF A VARIETY)
